MEMPHIS, Tenn., March 1850.  
The Faculties, for intellectual abilities, moral  
worth and professional acquirements, will compare  
favorable with the most distinguished in our coun-  
try. The medical faculty constitutes an anomaly  
in this or any other country—all of them are able  
lecturers and the best of teachers.  
Those who will contemplate our geographical  
position, and the extent of our population, can have  
no doubt as to the eligibility of our situation for an  
enterprise of the kind. As to health, including  
all seasons of the year, we deny that ANY OTHER  
CITY HAS MORE.

A common error exists in the minds of many  
students relative to the place of studying medicine;  
those who intend practicing among the diseases of  
the West and South should certainly educate  
themselves at a school whose faculty are practical-  
ly acquainted with those diseases.  
That the public may be satisfied of the perma-  
nency of this school, we feel it our duty to state,  
that the Trustees and Faculty form a unit in action  
which augurs well for its future success; and that  
the peculiar internal organization which connects  
them, cannot be interrupted.

**DR. HOOFLAND'S**  
**CELEBRATED GERMAN BITTERS,**  
PREPARED BY  
**DR. C. M. JACKSON,**  
AT THE GERMAN MEDICINE STORE,  
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled,  
equaled, by any other preparation in the United States,  
as the cures attest, in many cases after skillful physicians  
had failed.  
These Bitters are worthy the attention of invalids. Pos-  
sessing great virtues in the rectification of diseases of the  
Liver and lesser glands, exercising the most searching  
powers in weakness and affections of the digestive organs,  
they are, without, safe, certain and pleasant.

**READ AND BE CONVINCED.**  
Chas. Robinson, Esq., Easton, Md., in a letter to Dr.  
Jackson, Jan. 9, 1850, said—  
"My wife and myself have received more benefit from  
your medicine than any other we have ever taken for the  
Dyspepsia and Liver disease."  
"The Tenth Legion," published at Woodstock, Va.,  
Jan. 10, 1850, said—

**"A GREAT MEDICINE"**  
"We have uniformly refrained from recommending to  
the public any of the various Patent Medicines of the day,  
unless thoroughly convinced of their value. Among those  
we consider worthy of notice is the German Bitters, in-  
vented by Dr. Hoofland, and prepared by Dr. Jackson, in Phila-  
delphia. One instance in particular, in which the superi-  
or virtues of this medicine have been tested, has fallen  
under our observation. During the last summer, a son of  
Mr. Abraham Brabill, of this country, was very seriously  
afflicted with Liver Complaint, and after trying in vain  
various remedies he purchased a bottle of the Bitters and  
after using it, was so much relieved of his distressing mal-  
ady that he procured another bottle, and is restored entire-  
ly to health."

**READ FURTHER A FEW FACTS.**  
The "Philadelphia Democrat," the leading German jour-  
nal of Philadelphia. The editor said, Nov. 24th—  
"We again call attention to the removal of the German  
Medicine store, the principal depot for the sale of Dr. Hoo-  
fland's German Bitters, from 274 Race to 120 Arch street,  
one door below Sixth. Owing to the increased demand  
for this medicine, and for the accommodation of his nume-  
rous patients, Dr. Jackson has been compelled to remove to  
a larger store. We wish his success in his new quarters;  
it is deserving of it. The Bitters Medicine is well known  
the greatest medicine extant for diseases of the Liver and  
Bowels. A stubborn case of Chronic Diarrhoea has come  
under our notice, wherein the patient had exhausted the  
Materia Medica of the different schools of medicine with  
no apparent benefit. He was induced to use these bitters,  
and a few bottles of them have entirely cured him. Many  
such cases we could refer to. We hope our readers will  
recollect this great restorative, should they be so unfortu-  
nate as to require its use. Dr. Jackson possesses the origi-  
nal unpublished receipt of Dr. Hoofland, and a full prepara-  
tion of the medicine with this care. Those purchasing should  
call at his store, or see that his name is written upon the  
wrapper outside, and blown in the bottle, as imitations of  
all good articles are common."  
Judge M. M. Noah, a gentleman with great scientific and  
literary attainments, said in his "New York Weekly Mes-  
senger, Jan. 6, 1850.

"Dr. HOOFLAND'S GERMAN BITTERS.—Here is a pre-  
paration which the leading presses in the Union appear to  
be unanimous in recommending, and the reason is obvious.  
It is made after a prescription furnished by one of the most  
celebrated physicians of modern times, the late Dr. Chris-  
topher Wilhelm Hoofland, Professor to the University of  
Jena. Private Physicians to the King of Prussia, and one of  
the greatest medical writers Germany has ever produced.  
He was emphatically the enemy of humbug, and therefore  
a medicine of which he was the inventor and endorser may  
be confidently relied on. It specially recommended in  
liver complaint, dyspepsia, debility, vertigo, acidity of the  
stomach, constipation, and all complaints arising from a  
disordered condition of the stomach, the liver and the in-  
testines. Nine Philadelphia papers express their conviction  
of its excellence, and several of the editors speak of  
its effects from their own individual experience. Under  
these circumstances we feel warranted not only in calling  
the attention of our readers to the present proprietor, (Dr.  
C. M. JACKSON'S) preparation, but in recommending the ar-  
ticle to all afflicted."

**MORE EVIDENCE.**  
The "Phil' delphia Saturday Gazette," the best family  
newspaper published in the United States, the editor says of  
DR. HOOFLAND'S GERMAN BITTERS.  
"It is seldom that we recommend what are termed Pat-  
ent Medicines to the confidence and patronage of our read-  
ers, and therefore, when we recommend Dr. Hoofland's  
German Bitters, we wish it to be distinctly understood that  
we are not speaking of the nostrums of the day, that are  
used about for a brief period and then forgotten after they  
have done their guilty race of mischief, but of a medicine  
long established, universally prized, and which has met  
the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the  
foregoing) from all sections of the Union, the last three  
years, and the strongest testimony in its favor, is, that there  
is more of its use in the practice of the regular Physicians of  
Philadelphia than all other nostrums combined, a fact  
that can easily be established, and fully proving that a  
scientific preparation will meet with their quiet approval  
when presented even in this form.  
That this medicine will cure liver complaint and dyspep-  
sia, no one can doubt, after using it as directed. It acts  
specifically upon the stomach and liver—it is preferable to  
calomel in all bilious diseases—the effect is immediate.—  
They can be administered to female or infant with safety  
and reliable benefit, at any time.

**BEWARE OF COUNTERFEITS.**  
This medicine has attained that high character which  
is necessary for all medicines to attain to induce  
fidelity to put forth a spurious article, and to induce  
those who are innocently deceived.

Dr. Keeler's Cordial and Carminative, is certainly a  
valuable desideratum in every family, to the young and  
adult, but particularly where there are children. We  
peak a fervently, because we have thoroughly tried it, and  
proved its healing and efficacious prop- erties in our family.  
We would most cordially recommend the public to give it  
a fair trial, which is only waiting to appreciate its value.  
From the North American and United States Gazette,  
Sept. 4th 1847.

In these days, abounding in fruit, it behooves every one  
to be prepared with a remedy for the evil effects which it  
sometimes produces—we have been told by those that  
new and who have tried it—that Dr. Keeler's Cordial  
is a medicine which has been used in some of the severest cases  
of Summer Complaint, both in infants and grown persons.  
The Cordial can be procured at the corner of Third and  
Fourth Streets.

From Neal's Saturday Gazette August 23rd 1847.  
Dr. Keeler's Cordial and Carminative, which will be  
advised at length in our columns. As a corrector  
of cases of Diarrhoea, a disease very prevalent at the present  
time, it is highly spoken of by all who have used it. It  
is perfectly safe in its nature, and we speak experimen-  
tally, when we say that it affords immediate relief.

From the Pennsylvania Inquirer, Sep. 1st 1847.  
Dr. Keeler's Cordial and Carminative.—This article is  
inserted in another part of our paper, it is warmly re-  
commended by families who have used it. It is especially  
valuable among children, and has effected in many cases  
the doctor is abundantly supplied with testimony in the  
subject, some of which is very strong. The Cordial is not  
quack nostrum, but a carefully prepared medicine, and  
entirely free from any thing injurious.

From the Daily Pennsylvania, Sept. 16th 1847.  
We are constrained to say that the Carminative of Dr.  
Keeler's is now extensively used in this City, it is rapidly  
making its way to the public mind, and its effects are  
our cordial, it is mild in its operation, pleasant  
taste, and a remedy quite as good as any now used for  
summer complaints.

From the Daily News, July 15th 1850.  
Summer Complaint.—The season when this complaint  
exists is now here. If persons having it in their families  
would only purchase a bottle of Dr. Keeler's Carminative  
Cordial, they would save much expense and trouble. We  
speak of the virtues of this medicine knowingly.

From the Spirit of the Times, Rochester, July 13, 1848.

paper to Dr. Keeler's cordial and carminative, a medicine  
of a most valuable nature. It is a medicine highly recom-
